CIRCULAR

The Institute has approved the OPD and IPD treatments of its personnel (borne on regular establishment) and their dependents / pensioners (linked with ICAR-CRIJAF for availing medical benefits) and their dependents as per official records at the following hospital from the date of issue of this circular till the currency of the said Hospital being on the West Bengal Health For All Employees And Pensioners Cashless Medical Treatment Scheme, 2014, as indicated against each.

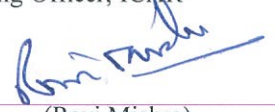

The Hospital have agreed to provide both OPD, IPD treatment (relevant bills to be preferred by the Hospital to the Institute for payment within 30 days of submission in case of cashless facility else the concerned beneficiary has to pay the bills thereof and seek reimbursement as per CS(MA) Rules, 1944, as applicable from the office) treatments on CGHS approved rates. The procedure for availing such facility will, however, be governed by the extant rules of referral, obtaining necessary documents for submission to the Hospital at the time of consultation/ admission, fulfillment of laid down requirements, etc., details of which can be inquired from the Administration -I section / Drawing and Disbursing Officer, ICAR- CRIJAF.

Since, this has been done for the first time at the Institute, there could be some teething / procedural issues which, over time, would smoothen in the natural course, and which all are requested to cooperate with. Any suggestion in further streamlining the process would also be appreciated. Concerted efforts are being made to get similar facilities from other Hospitals provided to our personnel/ pensioners and their dependents.
