

Jai Kishan Jai Vigyan

As per instruction of Govt. of India vide D.O. No. 2 (40)/2015-Exhb; dated 17.12.2015, 'Jai Kishan Jai Vigyan' week was celebrated by CRIJAF during 23-29 December, 2015. On 28 December, 2015 one Farmers-Scientist Interaction Meet was organized in the tribal village of Makaltala in North 24 Parganas district of West Bengal. The farmers were made aware about the need and process of scientific cultivation of crops for higher profitability with green technology. In the second phase of the occasion the school going child of the tribal farmers were also invited and awareness was created among them about science, scientific cultivation and less polluting green technologies suitable for rural households. A quiz competition was also organized for them and they enthusiastically participated in the quiz. The successful participants were awarded with prize and sweets were distributed among all the children.
